Follow the steps below to create a ticket.

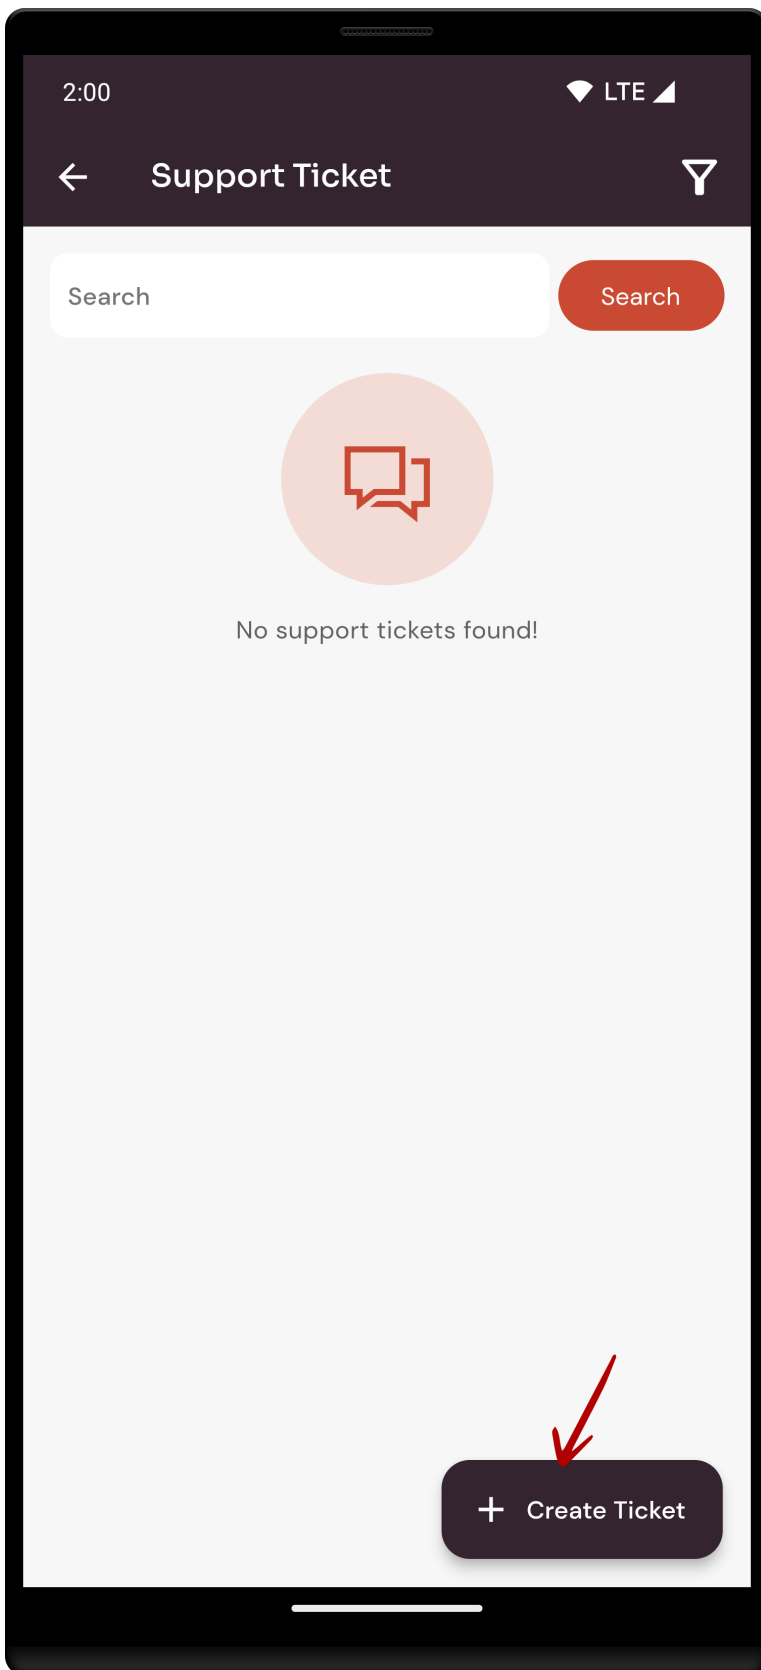

1: Once you are logged in, look for a "Support Ticket" option in the menu. This is located in a drop-down menu under your username or may be a separate tab in the main menu.

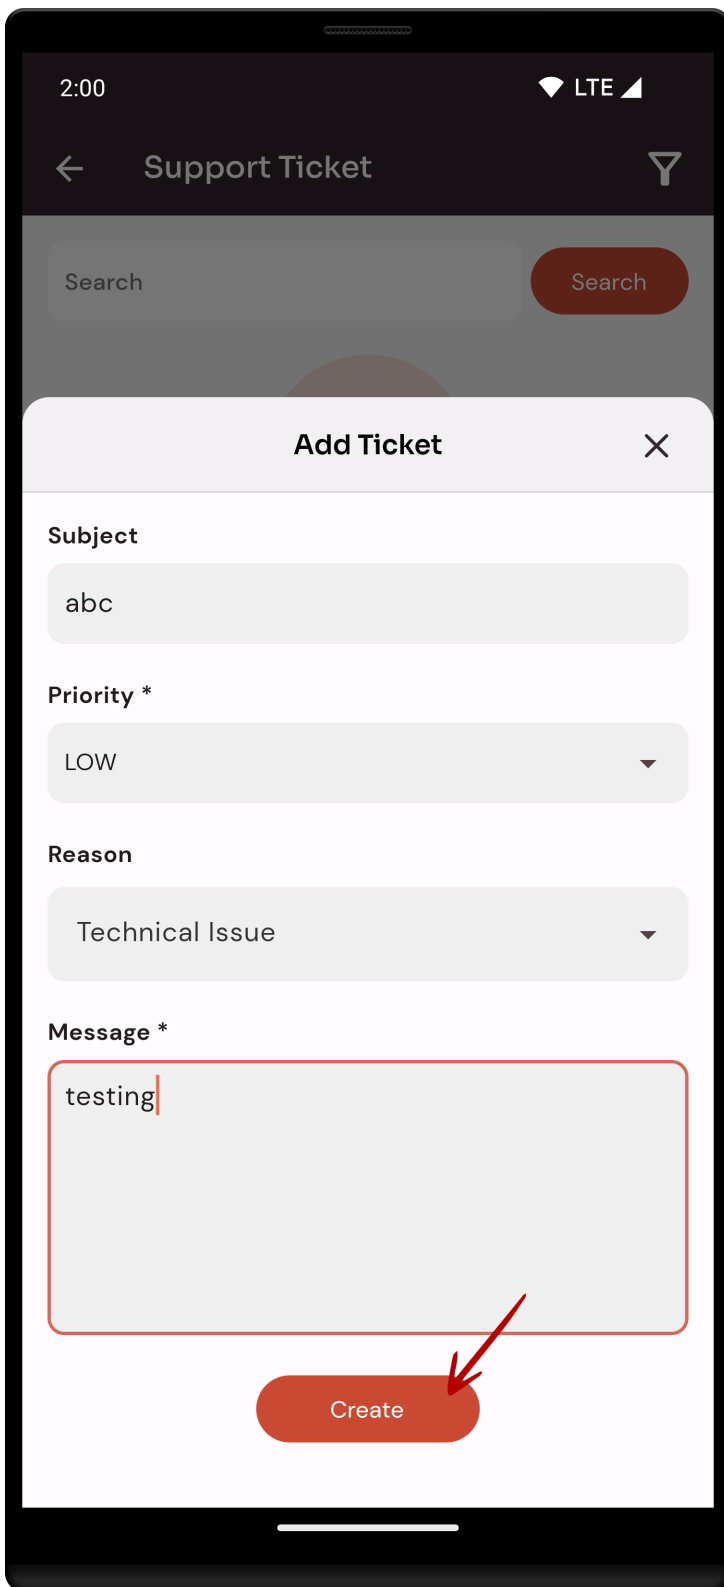

2. Select the Support Ticket option.

2: Click on the Create Ticket button.

4: Fill out the form with the subject and message, of the issue or question you are experiencing. Select the appropriate category for your ticket from the dropdown menu. Click "Save" to send your ticket to our support team.

Here, you can see ticket was created Successfully.
