How to view Events of Maintenance Mode through the cloudpanzer mobile applications?

Tutorial :

You can watch the Video or Continue reading the post.

https://www.youtube.com/embed/Z6dP7d4h7AM

Follow the steps below to view maintenance mode events on-site.

Navigate to the site Dashboard (Use this link to view How to Navigate)

1. Select the Site Meta Option.
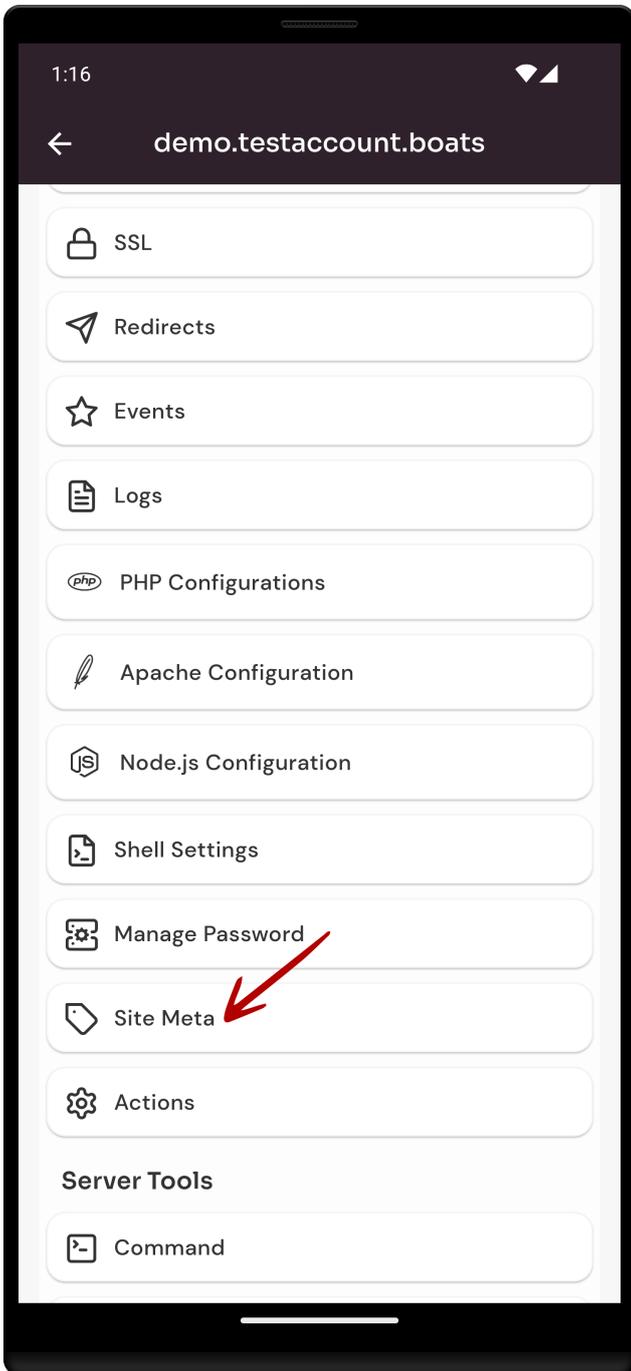

2. Click on the Maintenance Mode dropdown and click on the event button.
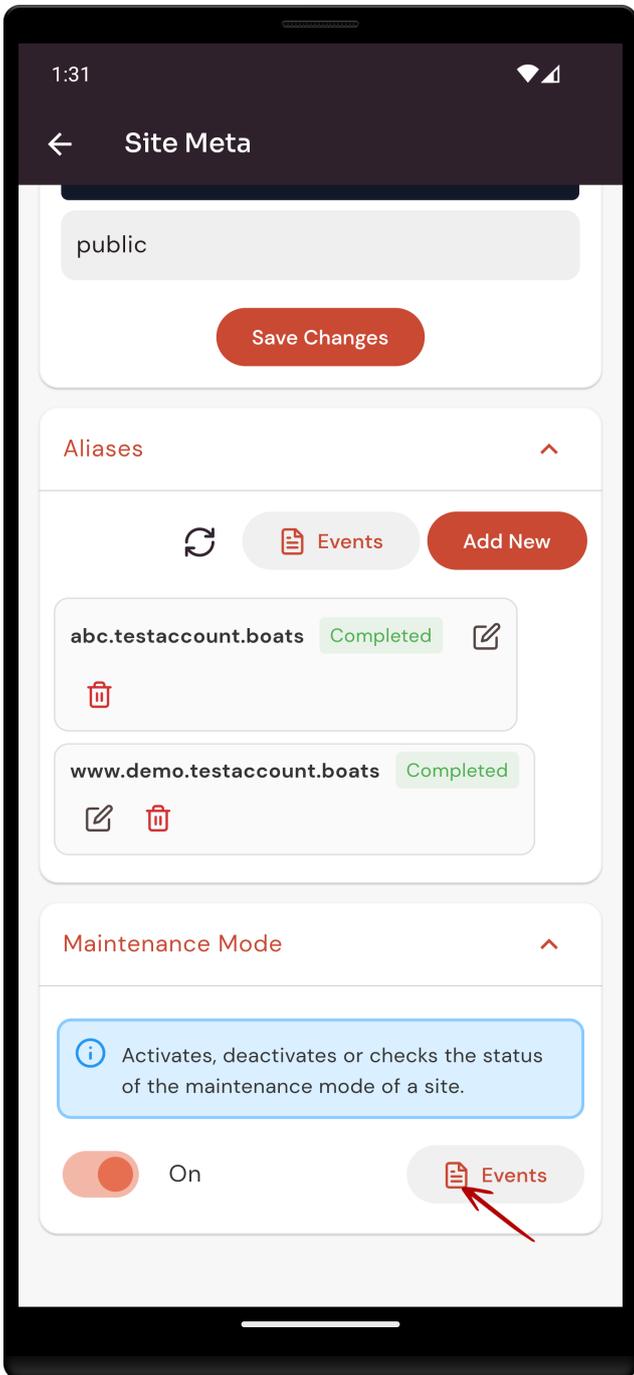

Here, you can see events.
