

How to view Events of Web Directory through the cloudpanzer mobile application?

Tutorial :

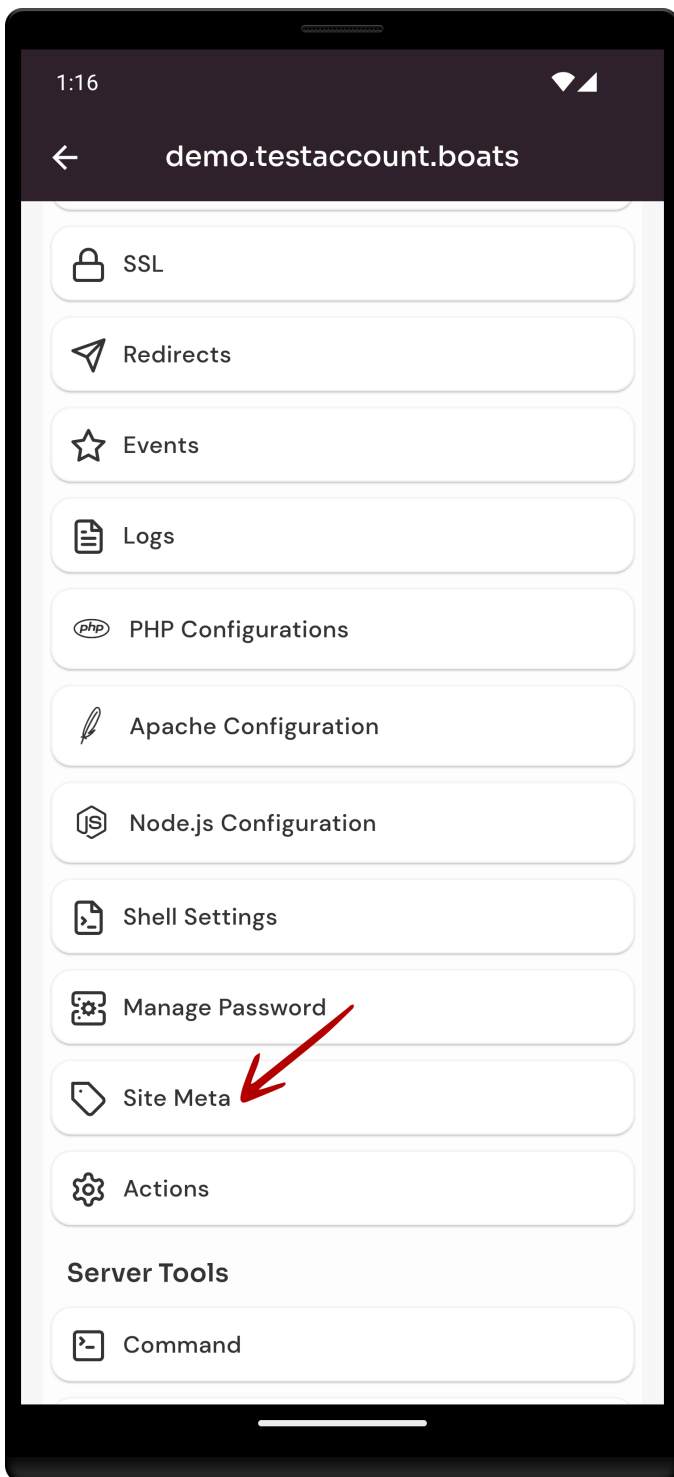

You can watch the Video or Continue reading the post.

<https://www.youtube.com/embed/R3CfFkRBiFs>

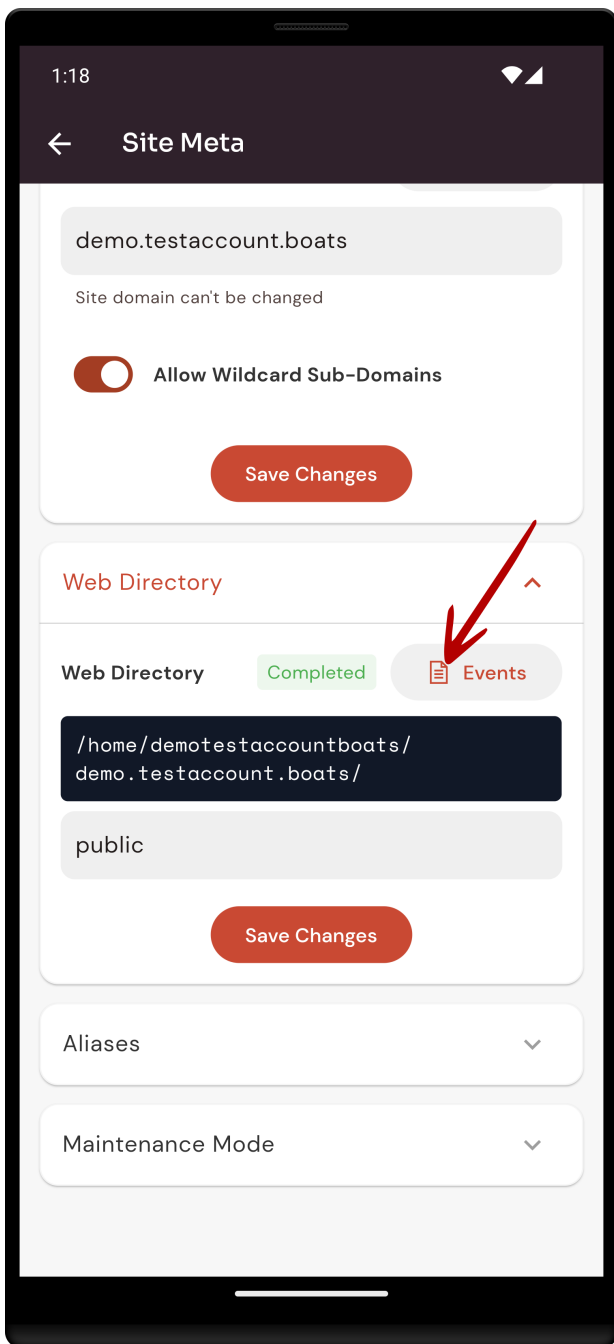

Follow the steps below to view the Web Directory Events on-site.

Navigate to the site Dashboard (Use this link to view How to Navigate)

1. Select the Site Meta Option.

2. Click on the Event Button.

Here, you can see Events.
