# How to forgot your password in Cloudpanzer through the website?

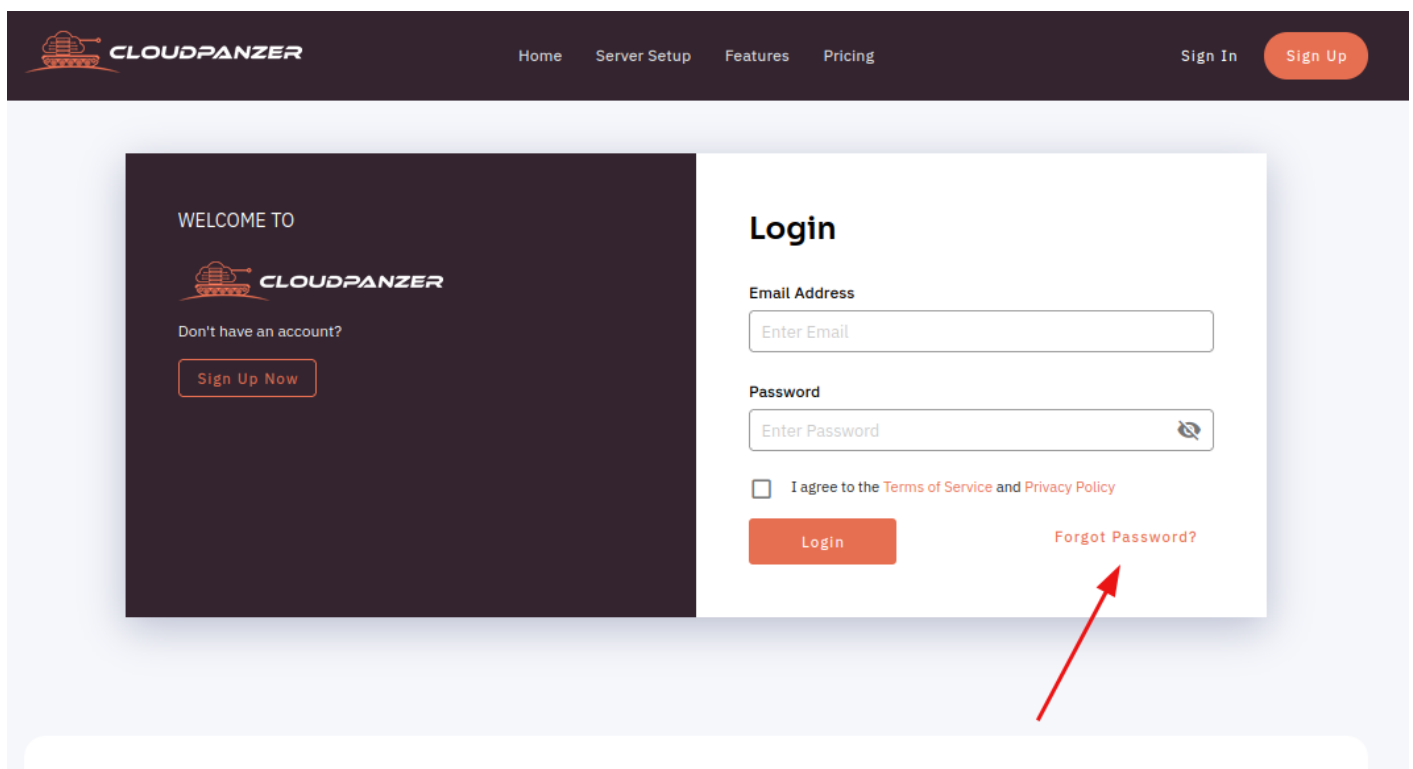

## Tutorial :

**You can watch the Video or Continue reading the post.**

<https://www.youtube.com/embed/LwO4vsUEqCI>

Follow the steps below to forget your password in Cloudpanzer.

1: Navigate to the CloudPanzer login page. This can typically be found by going to the CloudPanzer website and clicking on the "Sign In" button. Here you can see forgot password option you can click on it.

The screenshot displays the CloudPanzer login interface. On the left, a dark sidebar contains the CloudPanzer logo and a 'Sign Up Now' button. The main area is titled 'Login' and features input fields for 'Email Address' and 'Password'. Below these fields is a checkbox for 'I agree to the Terms of Service and Privacy Policy'. At the bottom of the login form, there is an orange 'Login' button and a red link labeled 'Forgot Password?'. A red arrow points to the 'Forgot Password?' link.

2: Enter your email address, Before you can complete the process, you will need to review and accept the terms and conditions of the CloudPanzer service. Make sure to read through these carefully before proceeding.

The screenshot shows the CloudPanzer website's login page with a 'Forgot Password' modal form open. The modal has a title 'Forgot Password' and a subtitle 'Enter email id to start password recovery.' Below this is an email input field containing 'demo12@testaccount.live'. A checkbox is checked, with the text 'I agree to the Terms of Service and Privacy Policy'. At the bottom right of the modal are 'Cancel' and 'Submit' buttons. Two red arrows point to the checked checkbox and the 'Submit' button. The background shows the website's navigation bar with links for Home, Server Setup, Features, and Pricing, and buttons for Sign In and Sign Up.

Here, you can see the reset password link send successfully. Check your email for a message from Cloudpanzer containing a password reset link. Click on the password reset link in the email. Enter your new password twice to confirm it, and click the "Reset password" button.

This screenshot shows the same 'Forgot Password' modal form as the previous one, but with a success message at the bottom. The modal's 'Submit' button has been replaced by an 'Okay' button. A red arrow points to the 'Okay' button. Below the modal, a red banner displays the message: 'If an Account with that Email Exists , A reset link has been sent to your email address.' with a 'Close' button. The background of the website remains the same.

Follow the steps below to register Cloudpanzer.

1: Navigate to the CloudPanzer login page. This can typically be found by going to the CloudPanzer website and clicking on the "Sign up" button.

The screenshot displays the CloudPanzer website's registration page. The top navigation bar is dark purple with the CloudPanzer logo on the left and links for Home, Server Setup, Features, Pricing, Sign In, and Sign Up on the right. A red arrow points to the 'Sign Up' button. The main content area is split into two columns. The left column, on a dark purple background, says 'WELCOME TO CLOUDPANZER' and includes a 'Login Now' button for existing users. The right column, on a white background, is titled 'Sign Up' and contains five input fields: Full Name, Email Address, Password, Confirm Password, and Referral code. Each field has a placeholder text starting with 'Enter'.
