

# How to delete Nginx Configuration Backup data on site ?

you can delete the Nginx configuration backup data on your site. It is always important to be cautious when making changes to your server, so be sure to double-check your work and make sure you have a current backup before making any changes.

## Prerequisites :

You must have an Active Server and Active Site. You can jump to the tutorial section if the above conditions are proper, Or first follow the links below to set up the prerequisites.

## How to install a Server

## How to Setup a Site

## Tutorial :

**You can watch the Video or Continue reading the post.**

Follow the steps below to delete Nginx Configuration Backup data

## Navigate to the Nginx Configuration

**(Use this link to view How to Navigate**

5. Select the Nginx Configuration backups dropdown.

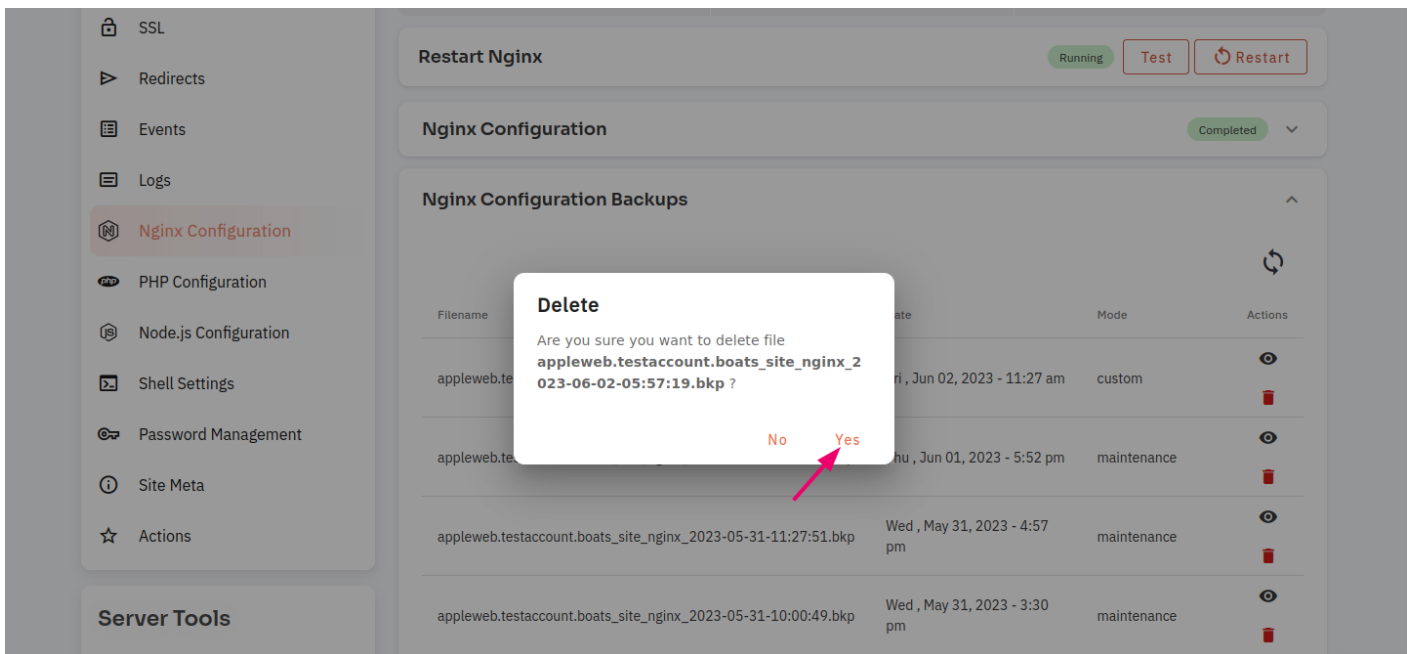

The screenshot shows the 'Site Tools' sidebar on the left with 'Nginx Configuration' selected. The main panel displays server information for 'appleweb.testaccount.bo...'. Below this, there are three expandable sections: 'Restart Nginx' (with 'Running', 'Test', and 'Restart' buttons), 'Nginx Configuration' (with a 'Completed' status), and 'Nginx Configuration Backups' (which is currently collapsed). A red arrow points to the 'Nginx Configuration Backups' section header.

6. Click on the delete Icon.

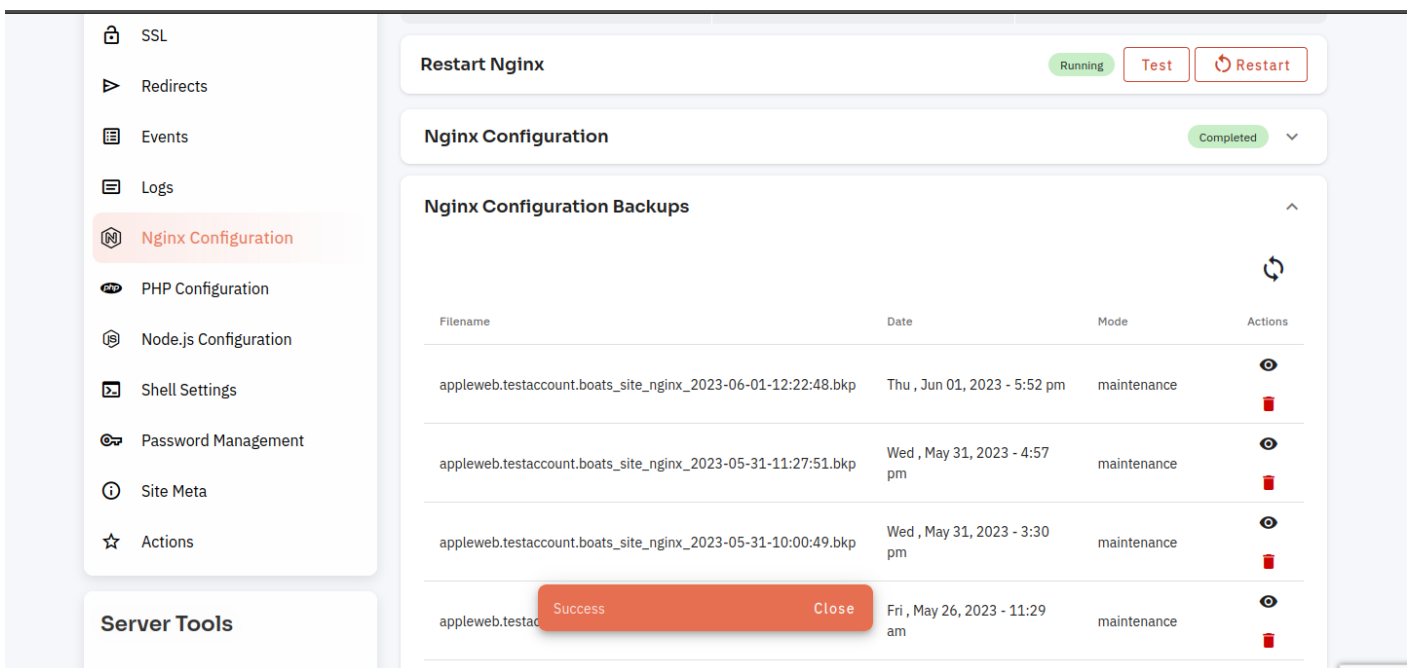

This screenshot shows the 'Nginx Configuration Backups' section expanded, displaying a table of backups. The table has columns for 'Filename', 'Date', 'Mode', and 'Actions'. There are four backup entries listed. A red arrow points to the delete icon (a red trash can) in the 'Actions' column for the second backup entry.

Filename	Date	Mode	Actions
appleweb.testaccount.boats_site_nginx_2023-06-02-05:57:19.bkp	Fri , Jun 02, 2023 - 11:27 am	custom	[View] [Delete]
appleweb.testaccount.boats_site_nginx_2023-06-01-12:22:48.bkp	Thu , Jun 01, 2023 - 5:52 pm	maintenance	[View] [Delete]
appleweb.testaccount.boats_site_nginx_2023-05-31-11:27:51.bkp	Wed , May 31, 2023 - 4:57 pm	maintenance	[View] [Delete]
appleweb.testaccount.boats_site_nginx_2023-05-31-10:00:49.bkp	Wed , May 31, 2023 - 3:30 pm	maintenance	[View] [Delete]

7. Click on the Yes Button.

Here, you can see the Nginx backups were Deleted successfully.
