

# How to Navigate Cloudflare Home ?

Follow the steps below to Navigate Cloudflare Homer.

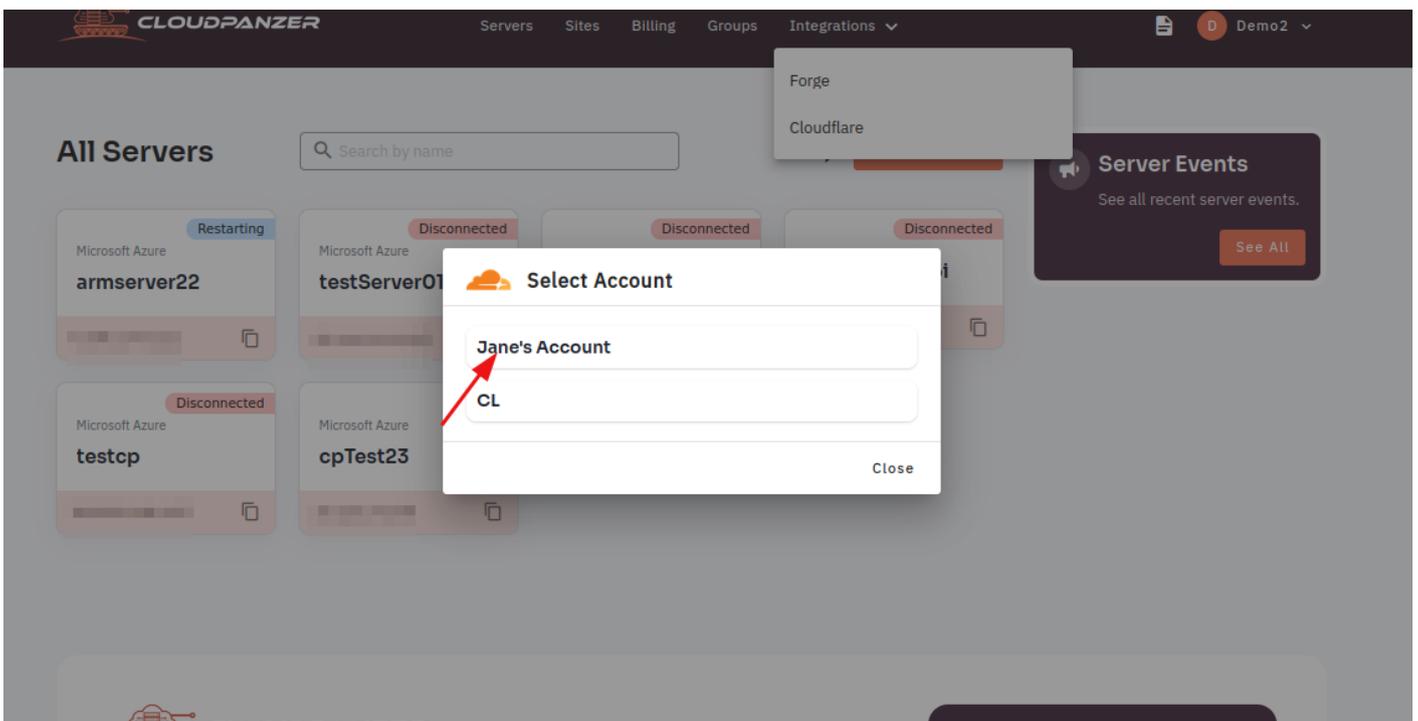

1: Click on "**Integration**".

2: Click on the "**Cloudflare Option**".

3. Select integration account.

Here, you can see Cloudflare's home.

The screenshot displays the Cloudpanzer dashboard. At the top, there is a dark navigation bar with the Cloudpanzer logo on the left and menu items: Servers, Sites, Billing, Groups, and Integrations. On the right of the navigation bar, there is a user profile icon labeled 'Demo2'. Below the navigation bar, the main content area is divided into two sections. The left section features the Cloudflare logo and text indicating 'Total Account: 1' and 'Account: Jane's Account', with a 'Switch Account' button. The right section is titled 'All Accounts' and contains a search bar and a table with columns for Email, Type, and Date. The table lists one account with Type 'standard' and Date '16-01-2023 - 1:12 pm'. Below the table, there are pagination controls showing 'Rows per page: 50' and '1-1 of 1'. At the bottom of the dashboard, there is a white section with the Cloudpanzer logo and the text 'Monitor and manage your servers performance and uptime from anywhere and at any time.' To the right of this text is a dark purple card for the 'Active Plan Pro' with an 'Upgrade Now' button. At the very bottom, there is a footer with links for Servers, Billing, Knowledgebase, Walkthrough, Terms of Service, and Privacy Policy.
