

How to view Sessions in CloudPanzer?

As a Cloudpanzer user, it may be necessary to view your active sessions in order to manage your account and ensure the security of your login information. This can be especially important if you are accessing the portal from multiple devices or locations.

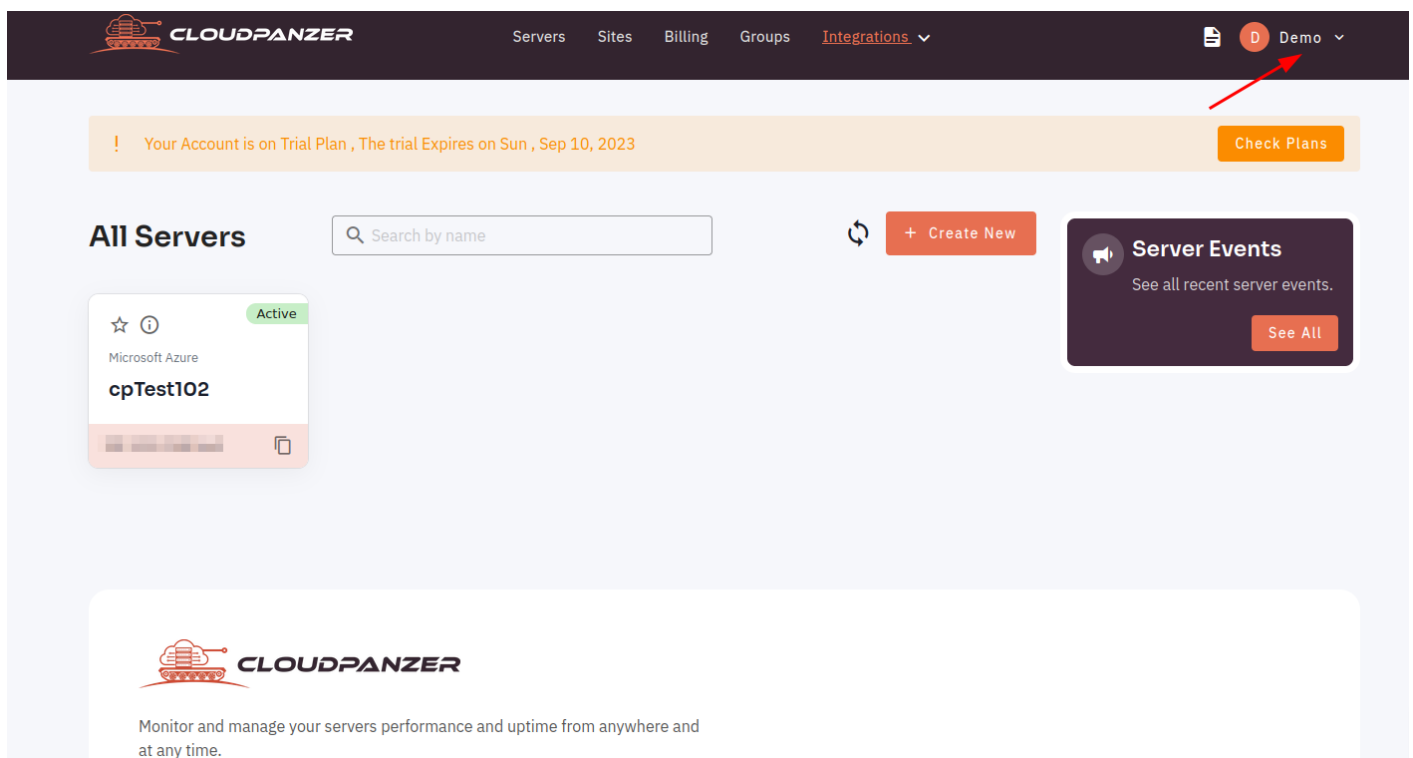

Tutorial :

You can watch the Video or Continue reading the post.

Follow the steps below to view Sessions

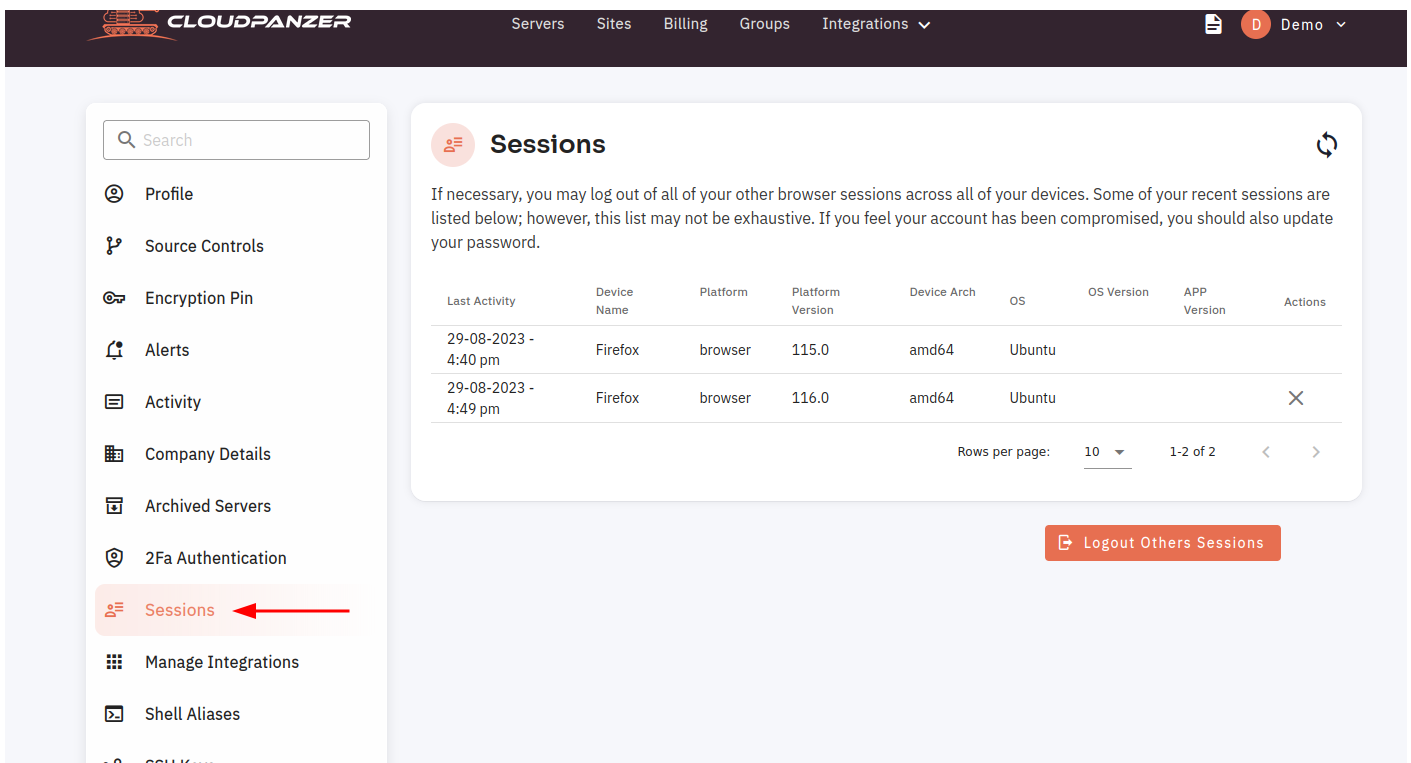

1: Once logged in, click on the user profile.

2. Click on the Account Settings option.

3. Click on the Sessions to view a comprehensive list of all available sessions.

4. You can also logout from others sessions by clicking on the logout others session button.

Sessions

If necessary, you may log out of all of your other browser sessions across all of your devices. Some of your recent sessions are listed below; however, this list may not be exhaustive. If you feel your account has been compromised, you should also update your password.

Last Activity	Device Name	Platform	Platform Version	Device Arch	OS	OS Version	APP Version	Actions
29-08-2023 - 4:40 pm	Firefox	browser	115.0	amd64	Ubuntu			
29-08-2023 - 4:49 pm	Firefox	browser	116.0	amd64	Ubuntu			✕

Rows per page: 101-2 of 2<>

Logout Others Sessions

5. Here, you can logout by clicking on the yes button.
